

## Steven Nelson

He loved Edmonds and Edmonds High School. We always made trips out to Edmonds for a walk down memory lane.

He retired from longshoring after 50 years, he had 2 degrees, Labor Studies and the Arts. He was a rabid Washington Husky football fan enjoying 47 years as a season ticket holder. We spent many wonderful years at home and away games.

He was a devoted husband, father and grandfather and will be greatly missed.

Some of his favorite times were spent with classmates at Edmonds. I think he would say, "Thanks for the Memories!" — Char. Nelson
